

CONTRACTS WITH FORMER CITY EMPLOYEES

PURPOSE

To establish a city policy regarding contracting with former city employees.

POLICY

When not more than 5 years has passed since a person who is a former City employee has left service with the City:

1. All professional services contracts with former city employees or temporary employment contracts with retiring or former city employees shall require approval of the City Council; and
2. Council approval shall also be required for professional services contracts with a corporation or other business entity owned or operated by a former City employee or that employs a former City employee.
